## STEP 9

Check on the box below after reading to acknowledge.

The image shows a smartphone screen displaying a list of terms and conditions for a subscription. The text is as follows:

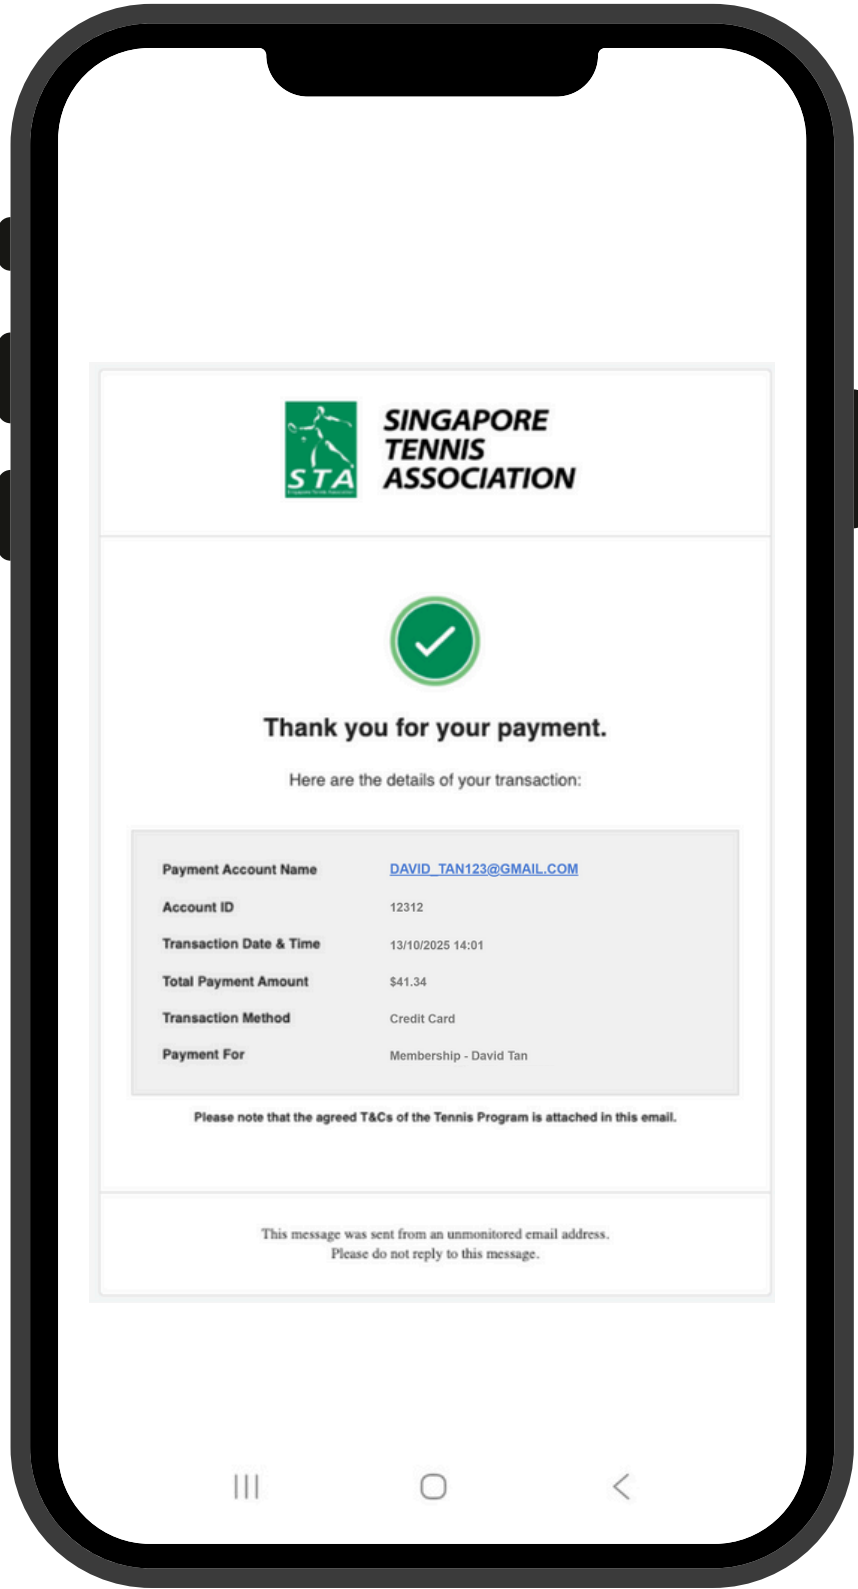

- We reserve the right to change our pricing and, in the event of a **price change**, we will attempt to **notify** you of the change by **sending an email** to the **valid email address** you have **registered** for your account. If you do not wish to accept a price change, you may **cancel** your subscription in accordance with the instructions included in that email or under the "Cancellation Process" set out below. If you do not cancel your subscription after the price change takes effect and prior to the start of your new subscription period within the prescribed time period, your subscription will be **renewed at the price in effect at the time of the renewal**, without any additional action by you, and you authorise us to change your payment method for these amounts.
- Cancellation Period: Members can **cancel** their subscription **at any time before the end of the current billing period or free trial**. Cancellation will take effect at the end of the current billing period or free trial, unless otherwise disclosed.
- Membership subscriptions are **non-refundable** and **non-transferable upon renewal**. Cancellation will only **take effect** at the **end of the current billing period (or end of the free trial)**, and members will still be able to **access** the services until then. **STA do not refund or credit for partially used billing periods.**
- Cancellation Process: To cancel your membership subscription, members must **make the cancellation on their Member Profile.**

Below the terms, there is a checkbox with a checkmark and the text: "By ticking, I acknowledge that I have fully read and understood the terms and conditions."

At the bottom of the screen, there is a green button labeled "PROCEED TO PAYMENT".
